悪魔・リジーを追うのは…!?

——as of yet, there are still no clues on the criminal involved
In the recent serial murders involving married couples occurring in the city centre
As no valuables were taken,
this may be a grudge crime
Furthermore, in these murders,
their children were not harmed
despite the murder of the parents,

Bruises from abuse and traces of beatings
were found on all of the bodies of the children of the victims...

The police suspect that these children were victims of parental abuse and are moving forward with their investigation
BUT PAID NO ATTEN-TION TO CAIN'S
GOD ACCEPTED ABEL'S OFFERING,
WAS A SHEPHERD AND HE SACRIFICED SHEEP TO GOD.
WHILE HIS YOUNGER BROTHER, ABEL
